PROFESSIONAL

French Wrap Plus™

A Revolutionary Invention for a Natural Nail French Manicure

What it does

Perfectly applies ultra thin, seamless French colour to natural nails with speed, ease, and precision.

Why professionals want it

Easy application and removal

- Thin and flexible to fit all nail types
- No painting with white polish
- No drying time
- Removes quickly in acetone

Perfect and permanent French colour

- Even french colour
- No smudges or brush lines
- Perfect smile lines
- Available in 20 shades

Why clients love it

- No smudging, chipping or fading
- Perfect, flawless french colour
- Manicure lasts 2 weeks or more
- Thin, light and comfortable

Virtual French™

Express French Manicure System

What it does

Provides a complete nail makeover with a flawless french manicure.

Why professionals want it

Increase efficiency and profitability

- 20 - 30 minute full service
- Most consistent results, regardless of who performs service
- Removes quickly in acetone

Transformative results with ease

- Most natural looking results
- Perfect and permanent french colour
- No drying time, smudges or brush lines
- Perfect smile lines

Quality, compatibility and colours

- Highest grade material
- Flexible fit for all types of nails
- Permanent french colour; 20 shades
- Available in 3 lengths

Why clients love it

- Super fast application
- Simple soak-off removal
- Reduced risk of damage compared to traditional enhancements/overlays
- No smudging, chipping or fading
- Low maintenance
- Thin, light and comfortable

Order Individual Colours or Pre-Sorted Packs

Gelife™

Revolutionary Soak-off UV Gel

What it does

Provides natural nails with amazing high gloss shine and protection for up to weeks at a time with ease in application, and with time/cost effectiveness.

Why professionals want it

Incredible speed and ease

- Applies like polish in 30 minutes
- No primers needed
- No drying time - no smudges to fix
- No fumes; safe for techs and clients
- Self-leveling
- 15 minute removal - truly soak-off

Versatile uses

- As a natural Gelife manicure
- As a base under nail polish
- As an overlay or with tip extensions

Amazing and profitable results

- Improved customer satisfaction
- Half the cost of other leading gels
- Non-yellowing formulation

Why clients love it

- Calcium salt keeps nails healthy
- Fast and safe application and removal
- No burning sensation under UV light
- High-gloss shine lasts for weeks
- No chipping or fading
- Super light, flexible and comfortable

French Tipped™

French Tip Extension with Adjustable Smile Line Placement

What it does

Elongates and beautifies nails with a perfect french manicure, and no blending!

Why professionals want it

Unlike any other French tip

- Adjustable smile line placement
- No blending; saves time, minimizes dust
- Pre-shaped; minimizes fitting

Quality, compatibility and colours

- Highest grade material
- Flexible fit for all nail curves
- Can be used with **all overlay systems**
- Permanent french colour; 20 shades
- Available in short and long lengths

Why clients love it

- No smudging, chipping or fading
- Low maintenance
- Long wear: 2 weeks or more
- Reduces risk of natural nail damage
